

COMMANDER
SURFACE FORCES LOGISTICS CENTER
2401 HAWKINS POINT RD BALTIMORE, MD 21226

Certificate of Appreciation

This certificate is awarded to
MIT ELECTROMECHANICAL SYSTEMS GROUP

We would like to offer our most sincere appreciation for your dedicated service to the United States Coast Guard during your research and collaboration with the Surface Forces Logistics Center. Your technical expertise and commitment to advancing engineering solutions proved instrumental in supporting initiatives focused on corrosion monitoring, electrical reliability, and data-driven maintenance across the Coast Guard cutter fleet. Through your work, you contributed to the development of innovative tools and monitoring capabilities that strengthened our ability to assess hull protection effectiveness and improve the reliability of critical shipboard systems. We commend your professionalism, technical ingenuity, and dedication to supporting the Coast Guard mission. On behalf of the Surface Forces Logistics Center and the United States Coast Guard, please accept this certificate as a token of our sincere appreciation for your contributions to strengthening the readiness and sustainment of Coast Guard surface assets. Bravo Zulu!

Presented on this day, 14 May 2026

Andrew T. Pecora
Captain, United States Coast Guard
